Notification of Interim Rate Set and Effective Date

Bayfield Treatment Centre

Dear Todd Powell,

I would like to advise you that the East Region has established an *interim* per diem rate for Bayfield Homes' Rednersville Road program and Consecon program. The rate is applicable primarily for children's aid societies and transfer payment recipients.

The interim rate will remain in place while the ministry continues to work on a rate review for your Outside Paid Resource (OPR).

The interim program per diem rate, effective **November 1, 2022** is **\$405.10**.

The interim rate is based on a per person "averaged" basis (meaning that where one child or youth does not require resources, they can be provided to another child or youth as required). The interim rate will primarily address staff recruitment and retention pressures, and details regarding program enhancements will be finalized upon the completion of the rate review.

The interim rate is contingent on the successful completion of a permanent rate set and is subject to one or more follow-up verification review(s).

Sincerely,

Johlen Jordens
Program Supervisor
