Dear Mr. Powell:

This letter is to confirm that the Ministry of Children & Youth Services is undertaking a review of your per diem rate for Bayfield Treatment Homes based on the proposed changes to your program model. Based on the changes to your program model the ministry is approving an interim rate of \$348.00.

The interim rate will be reassessed on March 31, 2018, following the ministry review of the new program model and will be finalized at that time.

The Ministry is aware that Bayfield also operates parent therapist homes at a per diem rate of \$193.80 and a private school with a per diem of \$93.97. As part of the new proposed changes to the program the ministry is aware there will be a per diem rate of \$65.05 for additional psychiatric services as required.

Should you have any questions please feel free to contact me at any time.

Sincerely,

*Mary-Anne Baun*
